#### HALF DAY SANTIAGO CITY TOUR

Santiago de los Caballeros is the second largest city in the Dominican Republic. It is located in the north-central region of the country, known as the Cibao Valley. During this tour you will have the opportunity to visit the Monument of the Heroes of the Restoration, which has become the main symbol of the city. The Santiago de los Caballeros' symbolic monument was built to commemorate the first centennial of the Dominican Independence. You will also have the opportunity to visit the country's largest tobacco field and factory and watch, step-by-step, the entire process of manufacturing tobacco. After, you will go through a multisensory journey involving the various aspects that are reflected within the Caribbean, Dominican, American and global context. Experience the island, Caribbean dishes, biodiversity, indigenous ways of life and the dominance of the current urban culture, presented in an innovative museum design. At the end of the tour, you will visit the crafts area where you will witness the complete, intricate process of turning clay into art.

**US \$58 p/p • Available on Tuesdays only.**
